

BIRTHDAY PARTY

Every child attending one of the MonkeyMe® birthday parties will leave with their own personally designed t-shirt. Children participate in an interactive one-on-one experience behind the computer with the assistance of a graphic artist. (How much, depends on the age - and computer competence - of the participating child.) Our goal is to make them feel like they did it all themselves... as much as possible.

The front design is from the growing-daily collection of MonkeyMe® - a Mr. Potato Head-style build-your-own-monkey template that allows the children to dress the monkey - in a variety of styles and colors. Participants may choose clothing, add animal "friends," accessories, sports items and more.

Before the party arrives, the artists have created personal files for each child attending, with their template and name already in place... ready to begin!

The back design of the shirt is a standard party imprint - compete with the party date!

Cake, bottled water, table, plates, napkins, forks, and decorations are provided. Staff will "clear the floor, and lock the door" to insure that your party time is "all about you!"

Graphic artists will take children two (or three) at a time for their MonkeyMe® adventure - while mom does the party out front. The props are all provided to eat the cake, open the presents, and play... while staff work with the children in "shifts" to complete all the shirts within the party time.

Everybody get ready to smile, we make photos throughout the party to post on the internet for all the world to see!* Candid shots during the party and a complete group shot with everybody wearing their new shirts!

FAQS

Frequently Asked Questions

- **How many kids can we have?**
Bookings require a minimum of ten (10) participating children. More is okay, we just need advance notice to make special arrangements for more staff to accommodate the children.
- **What's included with the party?**
Package pricing includes:
 - **Invitations**
 - TFB Birthday Party Invitations are provided with each booking.
 - **The "cake table"**
 - TFB® Birthday Party Design-imprinted cake, personalized with the child's name.
 - "Dressed" table complete with napkins, forks and a personalized birthday banner for the honoree.
 - Bottled water
 - **Decorations**
 - Balloons, and secondary birthday banners for decoration.
 - **T-Shirts**
 - Every child gets to make their own "Monkey Me" Design ... with their design, and their personalized monkey... and help make their own shirt to take home.
- **Can I bring my own cake?**
No. Because we are federally trademarked, the local grocers have "issues" with printing our designs on cakes without a real ordeal of permissions. So... we just do it ourselves.
- **What do I need to bring/do?**
Entertainment for the other kids while the two (or three) at a time are making their shirts. We provide a Twister game (great photos!), but you know what interests your children better than we do. So you do the cake, presents, and games while we work with the kids making their t-shirts!
- **Can I just pick any date and then let you know?**
No. We push the racks back, clear the floor and lock the doors so that we can devote our undivided attention to the parties. This means that the only days available for parties are Sunday afternoons... and previous bookings should be checked before sending the invitations!
- **How do we get started?**
Confirm the "open" date, and a \$100 deposit is required to secure the booking.*
